Ignition-remix
by:R.Kelly

Now, um, usually I don't do this but uh.... Go head' on
and break em off wit a lil' preview of the remix
now i'm not tryin to br rude but hey pretty girl i'm feelin'
you they way ya do those things ya do
reminds me of my lexus coup
thats why i'm all up in ya grill
tryin a get you to a hotel
ya muss be a football coach
the way ya got me playin da field

so gimme that toot toot
lemme hear that beep beep
runnin' her hands through my fro'
bouncin on 24's
while they say on the radio

its the remix to ignition hot and fresh out the kitchen
moma rollin that body
got every man in here wishin
sippin' on Coke and rum
i'm like so what i'm drunk
it's the frikin weekend
baby bout to have me some fun

its like muder she wrote
once i get ya out them clothes
privacy is on the dorr
still they hear ya screamin more
girl i'm feelin what ya feelin
no more hope and wishin'
bout ta get mah key and stick it in da ignition

so gimme that toot toot
lemme hear that beep beep
runnin' her hands through my fro'
bouncin on 24's
while they say on the radio

its the remix to ignition hot and fresh out the kitchen
moma rollin that body
got every man in here wishin
sippin' on Coke and rum
i'm like so what i'm drunk
it's the frikin weekend
baby bout to have me some fun

crystal popin' in the streach navigator
we got food everywhere
as if the party was catored
'got fellows to my left
hunnie's on mah right
bring both together we got juking all night
and after the show is the after party
and after the party is the hotel lobby
and around about 4 ya gotta clear the lobby
take it to your room and f*** somebody

(2x)
can i get toot toot
can i get a beep beep
runnin' her hands through my fro'
bouncin on 24's
while they say on the radio

its the remix to ignition hot and fresh out the kitchen
moma rollin that body
got every man in here wishin
sippin' on Coke and rum
i'm like so what i'm drunk
it's the frikin weekend
baby bout to have me some fun

girl we off in this jeep...
foggin windows up...
blastin the radio...
in the back of my truck....
bouncin up and down....
to the remix
girl we be thuggin out..
