I'm bored with all the lies you're tellin' me,
I'm bored with all this negativity,
you try,
turn everything around on me,
I'm bored
Time has passed,
I've paid my dues,
these wounds have finally healed
But I survived,
I've learned my lessons,
I'm finally free,
I'm bored with all the lies you're tellin' me,
I'm bored with all these fights,
I can not sleep,
you try,
I'm always somehow the bad guy,
I'm bored

Time has passed,
I've paid my dues,
these wounds have finally healed
But I survived,
I've learned my lessons,
I'm finally free,
I have survived
The rules that you live by
Betrayal by false friends
I've paid my dues,
I've lived with you for many long wasted years
The rules that you live by
Called on by friends
Ignorance is bliss,
blinded by it,
burned once again
The rules that you live by
Betrayal by false friends
I've paid my dues,
I lived with you for many wasted long years
Betrayed by false friends time and time again [2x]

You wash your hands,
you quit us man,

burned once again,
you wash your hands,
you quit us man,
burned once again,
I have survived
