Education without action does nothing
Bulldozers broken down
Destruction takes the day off
Tank is filled with dirt
Land locked and monkeywrenched
I've damaged
I've damaged
I've damaged
Well i've damaged
Another money day
Clearcut jobs that pay well
Ecosystems gone
Developers go build in hell
I've damaged
I've damaged
No compromise in defense
Damaged but myself
Well in defense
Well in defense
Well in defense
To preserve
The land is seen commodity
Most revered end is money
Esthetics pass scenery
Most damage done this century
We break the branches
Of the diversity tree to get us through
But next year your childrens yeild
Won't be half as good
Destruction jobs that pay well
Destruction jobs that pay well
Destruction jobs that pay well
Destruction jobs that pay well
I've damaged
I've damaged
No compromise in defense
Land locked and monkeywrenched
I've damaged
I've damaged
No compromise in defense
I've damaged to myself
