This is last time (2x)
This is the last chance I've been waiting for,
You're six feet under and just wanting more.

This is the last time (never again)
This time I'm waiting (waiting for you)
This is the last time i get down again.
Leave me alone, Leave me alone
(this is the last time) 'cause I'm better on my own.

Just wasting my day, trying to save you,
refusing my hand, what should i do

This is the last time (never again)
This time i am waiting (waiting for you)
This is the last time i get down again.
Leave me alone, Leave me alone
(this is the last time) cause I'm better on my own.
(this is the last time) I'll just wastin' my day, trying to
save you,
refusing my hand, what should i do,
leave me alone, leave me alone.

Leave me alone (2x)
You're six feet under,
And i wonder,
why do you stay
why do you stay, stay, stay

This is the last time I get down again.
This is the last time I'll get by my friend,
Leave me alone, Leave me alone
(this is the last time) cause i am better on my own.
(this is the last time) I'll just wastin' my day, trying to
save you,
Refusing my hand, what should i do,
Leave me alone, leave me alone

This is the last time (never again)
This time I'm leaving (waiting for you)
This is the last time i get down again.
