October revolution
Out to the streets
To fight against the tyranny
In 56' we fought the occupation
The young and old
Against the Communist regime

The sorrow, a so-called liberation
The sorrow, a violent domination
Sorrow, the humiliation
Fifty years, the death of a nation

Poverty for all
But freedom's the exception
The Proletariat, now the
Red Bourgeoisie
The murder, the torture
The terror, the famine
Fifty years under the
Communist regimes

The sorrow, a so-called liberation
The sorrow, a violent domination
Sorrow, the humiliation
Fifty years, the death of a nation

The price of freedom,
is worth it to me
Fighting
A revolution
Fighting
For human rights
The Cheka, the Stasi
The human tragedies
The casualties of the state
Fifty years,
a tragic philosophy
Fifty years,
collective suffering
Fifty years,
we're the casualties

of the state

The sorrow, a so-called liberation

The sorrow, a violent domination

Sorrow, the humiliation

Fifty years, the death of a nation
