I don't judge you
On what you say
But i judge you
On what you've done
Completely two faced
Turned on me again
I feel so sorry for you
Because i know you'll have no friends
I'm screaming at the top of my mind
You don't listen to a work that i say
Well i'm screaming at the top of my mind
You don't listen
Completely two faced
Turned on me again
Well i feel so sorry for you
Because i know you'll have no friends
I'm screaming at the top of my mind
You don't listen to a work that i say
Well i'm screaming at the top of my mind
You don't listen
Well i feel so sorry
Well i feel so sorry
Well i feel so sorry for you
