[Jhaz]

Now if you feel me, just let me know  
Put your hands way up in the air, and holler "Ho!"  
It's new breed of female kickin' the Northcoast flavor  
Rhymes that'll fade ya  
Listen close to save ya  
Well it's the new era  
Now, check my Northcoast side  
Everybody hollerin' "Cleveland" all of a sudden now  
Down with the Northcoast, they said from the beginnin'  
Even though I know they just caught on, see I done ?  
Bumpin' comin' from downtown on my way to the Clair  
Northcoast playas steadily puttin' it in the air

[Brina]

Clair's makin' paper  
Cleveland bum rushin' the industry's map  
Door's sittin' wide open for us trues  
Comin' through with the Mo Thug camp  
Many skills'll get ya hands in the air, bobbin' your head  
Guaranteed to split that wig up  
Females makin' moves from the Land  
Puttin' it down for the radio  
Northcoast comin' up  
A sista done told you exactly what's 'bout to go down  
Two trues, they takin' over

[Hook: Jhaz]

Now if you feel me, just let me know  
Put your hands way up in the air, and holler "Ho!"  
It's the new breed of female kickin' the Northcoast  
flavor  
Rhymes that'll fade ya  
Listen close to save ya  
See this here click?  
We gon' get the sales the most  
'Cause we be mighty Mo Thug comin' at ya from  
Northcoast

Are you ready?  
'Cause we ready...

(Hook)

[Brina]

We all about flexin' styles  
It's a twenty-four seven rap vibe  
Northcoast, follow me on this journey  
I'll make it a hell ride  
For your, bump ll Tru all you want, your CD changin'  
Roll through the hood, get smokin', livin' it up  
In the streets, they play us  
Mistake us for bein' soft on the physical, but I still throw  
blows  
Females respected  
Whatyou expect comin' from the Northcoast?

[Jhaz]

You see we roll gold ones, flex with big diamonds  
St. Clair, Cleveland on the map  
That's how find us - blazin'  
Steadily comin' up with new tracks  
Even the haters be bobbin'  
Talkin' this just 'cause they beats phat  
Expert females with the beams  
So listen close: this is how we be kickin' it  
Come on up to the Northcoast

[Brina]

In Cleveland, see the "Heart of It All" known to be off  
the hook  
Nightclubs showin' trues much love - every night get  
booked  
Parlay all through Ohio  
Roll deep with the Mo Thug family - nothin' but  
representers  
Makin' it known up in this industry  
Feel me, tape sales on the rise  
And nationwide support for the North  
Competition gettin' nothin'  
Better withdraw yourself from this sport

Are you ready?

'Cause we're ready

(Hook)

[haz]

Now we can smoke blunts with Optimos or Swishers  
It don't matter  
A little Hennessy, bet not step to me, 'cause I be  
badder  
And I gets madder when punks choose

Out of all the many Mo Thugs, they want to test us trues  
But see they still lose, take you for whatever you want  
We got the pump for your trunk, so ain't no doubtin' us  
pros

[Brina]

Beatin' you down in the Northcoast, dog  
Brina puttin' it down, comin' from the Land  
Styles to make a fortune  
Got you wide open  
Feel this clan of intelligent ballers  
Can't stop us from clockin' them dollars  
'Cause we can create some of them scripts  
That'll make you realize who got the power  
Up in this rap game, Cleveland rippin' these charts to  
pieces  
Any doubt in your mind, competition ain't ready for the  
female sistas

[Jhaz]

And we givin' out shots to all the hoods in the Land,  
even suburbs  
They caught you trippin', but we ain't shady, man  
And you know, all of St. Clair got love  
'Cause that's where all of my peoples choose to thug  
And, yeah, I be braggin', but Jhaz tend to boast  
But a sista put it down in the Land for the Northcoast

Are you ready?  
'Cause we're ready...

(Hook)

Cleveland... we ready
