F/ Ken Dawg

(Chorus)

Summer time

Time to kick back

Relax your mind

When the spokes gleam in the sunshine

You know it's summer time, high

[Brina]

I know you done heard about these ballers

We puttin' it down 'til ya platinum

Mo Thugs debut, representin' the Land we the bomb-ass album

We out, comin' in the door

Raised to the game of the streets

Tryin' to come up on millions

This game, we play for keeps

Straight from the underground

Bum rush Cleveland, tunnel to the industry

Trues roll deep from coast to coast, gotta that money

Break any show off the real, recognize we show-stoppers

Il Tru's comin' to get ya fools

Chart-toppers, gotta put the 9-7 perimeter lock down

Show these playa haters the greatest family ya found

We put it down worldwide

We know about trues

Keep ya bobbin' your head by makin' major moves

(Chorus)

[Jhaz]

Never been no lame

Always been true game

Roll thick with the Mo Thug click and a sack, man

Game for days, see by the pennies selects

Puttin' it down for the Land on this track for Krayzie

Play me on the north and the east, too, west coast

And the south ? did to Il Tru

Proved that we was hard on Family Scriptures

Now, hit ya with this New Breed thang, settin' it off

Off the rippa, get ya hands up for the new breed
Crack the top on the Hen, fire up the green
Floss in the hood, peep the vibe
Kick back relax, do it up for the summer time

(Chorus)

[Ken Dawg]

It's continuous play, coast to coast, game I wax
Won't you relax?
Sit back, and lay my head against you
Crack inhale the barbecues
Early morning get the ribs burnin'
Thangs turnin', lick your tonsils on the bourbon
Is we hurtin' these boys off a platinum debut?
You gotta come new, oh, where the old school?
Il Tru and Ken Dawg, 9-7, summer time
Maintainin' these last days by movin' up the grind
Niggas dyin' while I'm on this hella chase
Tryin' to avoid those who hate
Can you relate?
We can all get paid and ride drops this summer
If the cops try to stop us, slide and roll the chumps

(Chorus)
