Early as the morning dew  
Holy and beautiful Thy eyes  
There's nothing new  
They say that I smile like an angel Jah  
They even wonder why and how I'm looking so well  
Some they say it's a secret with me  
While others question right down to my own religion

I'm a levi I fear Jah and live  
Whether rain or sunshine

Early as the morning dew  
Holy from the wombs of the early morning spring  
Thou art the dew of Thy youth Jah Jah say Jah  
Thou art the rod of the strength out of Mount Zion  
Sit theyself down at thy right hand children  
And I will make you rule right round the midst of the  
heathen

I'm a levi fear Jah and live  
I'm a levi fear Jah and live

I give God thanks and praises every day  
So Jah Jah say  
For me it must be a chapter a day  
I'm a Levi I fear Jah and live  
Whether rain or sunshine Jah

Early as the morning dew  
He circumcises I and dwelleth in I  
Watch the words you all speak mind misinterpretation  
It is for free share I tendency with I  
It is better for a man to conquer himself  
Than a King to conquer and capture many city  
I'm a levi fear and live, I'm a levi fear Jah and live  
I give Jah God thanks and praise every day so Jah Jah  
say  
For me it must be a chapter a day  
I'm a levi fear Ja and live  
Whether rain or sunshine Jah

I'm a levi  
My father didn't give I any of this earthly portion  
I'm a levi  
He let I behold this heavy load that I really carry  
I'm a levi  
I obey his rules and law and regulation Jah  
I'm a levi  
It's like I'm Daniel living in the lions den Jah  
I'm a levi  
I know what it is to cry the eyes without shame  
I'm a levi-acap
