I never knew a love  
A love that could be sweeter  
No matter what my mind says  
Your music gives me fever  
The moment that we danced  
Your arms felt like a cradle  
And when you took my hand  
I was no longer able  
It never felt so right before  
I need to be with you much more  
I can't believe this kind of fate  
We can runaway...  
Is it love?  
I'm always in a spell  
Even when I'm sleeping  
You're always on my mind  
I hope that I'm not dreaming  
If I am let me stay asleep  
Don't wake me up I feel complete  
I never want to feel it end  
What a lovely moment  
Is it love?  
I wanna give you my love  
All the time  
I wanna make love to you  
All the time  
I wanna be right next to you  
All the time  
I wanna be in love with you  
All the time
