I am the petal you are the stem
I am the aroma you are the scent
I am the , you are a ,
I'm hard on you like it's the spirit to the ,

Memory you cause for this time ,
Though there is space there can be erased

Is that your flesh am I just dreaming,
lay on my chest, feel how I'm breathing
I have the chills when I start thinking
What it will be like, what it will be like

Is that your flesh am I just dreaming,
lay on my chest, feel how I'm breathing
I have the chills when I start thinking
What it will be like, what it will be like
You are the center I am the ,
You are the rainbow, I am your ,
You are a fortress I am the gate
This is a , it's so hard to separate

Will this , match out ,
Memories cross,what is ,

Is that your flesh am I just dreaming,
lay on my chest, feel how I'm breathing
I have the chills when I start thinking
What it will be like, what it will be like
Is that your flesh am I just dreaming,
lay on my chest, feel how I'm breathing
I have the chills when I start thinking
What it will be like, what it will be like
It will be like

You are , I am the sound
I'm buried in you as the seeds are with the ground

Is that your flesh am I just dreaming,
lay on my chest, feel how I'm breathing
I have the chills when I start thinking

What it will be like, what it will be like
It will be like
Is that your flesh, lay on my chest
I get the chills when I start thinking.
