If I never see it again  
The hell I never see it again so

I wanna leave this country yeah  
I wanna leave this country and find my way

??

Sit and hear a stupid joke

??

I hope I never see it again so

Streets are cracked  
It's the way we act  
Get out of the way  
I can't seem to relive that through  
All the way

Streets are cracked  
It's the way we act  
Get out of the way  
I can't seem to relive that through

?? that's the way we live

?? the way to go

?? listen to your self

??

I wanna leave this country yeah  
I wanna leave this country and find my way

Sit up straight??

?? out of time

?? the way to go

?? so low

Streets are cracked

It's the way we act  
Get out of the way  
I can't seem to relive that through  
All the way

Streets are cracked  
It's the way we act  
Get out of the way  
I can't seem to relive that through

?? that's the way we live  
?? the way to go  
?? listen to your self  
??

I wanna leave this country yeah  
I wanna leave this country and find my way

Streets are cracked  
It's the way we act  
Get out of the way  
I can't seem to relive that through  
All the way

Streets are cracked
