Say
Cos they will always let you down
Three packets
Cos they will always get away
?
?
Step down
And leave it on the way

I can't see
Well it compelled to me
??
And it can take it all
Until the end

Say
Cos they will always let you down
Three packets
Cos they will always get away
?
?
Step down
And leave it on the way

I can't see
Well it compelled to me
??
And it can take it all
Until the end

I can't see
Well it compelled to me
??
And it can take it all
Until the end

Until the end
Until the end
Until the end
Until the end
