The earth is alone  
And I give thanks for the fullness  
Within the firmaments  
Is golden days and blossoming nights  
His gently hands Made I I-man, son of him  
Life was divided and sweet harmony come in  
Women & children

Are we a warrior?  
Are we a warrior?  
Are we a warrior?

Oh Cupiid. You stupid  
Let not you arrow from your bow LORD

FEET is the mountains, so silent..  
And filled Fountains of waters, for all of his loving  
creatures.  
He give us wisdom, and knowledge TO understand his  
love  
Do we have to have a war?

Are we a warrior Lord  
Are we a warrior  
Are we a warrior  
OH oh Cupid, it's stupid  
Let not your arrow from your bow  
So hold it low  
And never let it go  
What cause you have a pistol in your hand LORD  
Is it for to shot a man down dead?  
Do we have to have a STORM lord?  
Why can't we be calm like a lamb?  
Lord lord above  
It's not only when  
There's a small confusion.  
It is a war  
There are other ways as well  
Sometime being confused  
Within your own head  
Because at times

Hearts get heavier than lead  
Are we a warrior?

Are we a warrior?  
Are we a warrior?  
Oh Cupid, it's stupid  
Let not you arrow from your bow  
So hold it low  
And never let go

Take a look at sad children  
And there's often true stories.  
It should be one all round glory  
The hour has come  
And still I can't see no love, it's a war  
For food, clothes and shelter LORD  
And crying of mamas and papas

Are we a warrior  
Are we a warrior  
Are we a warrior  
Oh Cupid, it's stupid  
Let not you arrow from your bow

Prophecy is now revealed,  
The son of man won't take heed  
The hurt he is giving on  
While life is taken in a sudden shock  
The crying of the people  
Multiplying all over  
Jah will give an answer  
To every of our prayer  
Are we a warrior  
Are we a warrior  
Are we a warrior  
Wo oh oh Cupid, it's stupid  
Let not you arrow from your bow  
And never let it go  
Are we a warrior  
Are we a warrior  
Are we a warrior
