He was  
My???  
I guess that's how it goes  
How's the world gonna take you now?  
So

Attention terrorists  
Where's the world gonna take you now?  
Shake 'em up  
You got a long long way to go  
??  
You got a long long way to go

So  
Take it  
Where's the world gonna take you now?  
So  
How's the world gonna take you now

Well take 'em on

Where's the world gonna take you now?  
Take 'em on  
You got a long long way to go  
??  
You got a long long way to go  
So

Oh  
You got a long long way to go  
??  
You got a long long way to go  
So

Oh

??

How's the world gonna take you now?
