You fell for a fool  
Because you don't read  
To late to say  
It didn't make your day

Loud explosions  
And dancefloor kisses  
Are you still feeling that there's something missing

Right now you are here  
Right now you are here

And I feel like  
A butterfly landing  
All dressed up  
And coloured in

I see everything  
In black and white  
I see everything  
Through your eyes

Don't be  
Don't be  
Don't be a strangled kite

Don't be  
Don't be  
Don't be a strangled kite

Don't be  
Don't be  
Don't be a strangled kite

Don't be  
Don't be  
Don't be a strangled kite

So drink up while you can  
You've got to push your side of the plan  
Drink up while you can  
I think it's time to take a stand

Drink up while you can  
You've got to push your side of the plan  
Drink up while you can  
I think it's time to take a stand

And don't look back  
Cos there's nothing there  
Just like a kite  
I've been strangled somewhere  
And does it fill a hole  
When you're on your own  
I don't disown  
If you will know
