Got their wires
Another way
It's on the first page of the a-z
And is
So easy to
Lose your way
But you can find it on the motorway
And take
A wrong turn
But that's ok
Start again another day

And what's it gonna be
This time it's made for free
And it can't be any other way
And what's it gonna be
This time it's made for free
And it can't be any other way
And what's it gonna be
This time it's made for free
And it can't be any other way
And what's it gonna be
This time it's made for free
And it can't be any other way

Got their wires

So easy to
Lose your way
But you can find it on the motorway
And take
A wrong turn
But that's ok
Start again another day

And what's it gonna be
This time it's made for free
And it can't be any other way
And what's it gonna be
This time it's made for free

And it can't be any other way
