It seems to be this way
It seems to be this way
What the hell do you know
Just what the hell do you know anyway
Now panic
Just panic
Just panic
Panic

Just go around the corner
It's round the corner
How can you sleep at night
How can you sleep at night
Panic
Panic

It seems to be this way
It seems to be this way
What the hell do you know
Just what the hell do you know anyway
Now panic
Just panic
Panic

Come around the corner
Come round the corner
How can you sleep
How can you sleep
Just panic

It seems to be this way
It seems to be this way
What the hell do you know
Just what the hell do you know anyway
Just panic
Just panic
Just panic
