All exits marked and named  
The signs shows it was too late  
Good intentions gone to waste  
Stupid thought for a stupid place

I cut across the road  
Too many things are watching me now

Torn curtain and a dusty screen  
Cough and stumble find my seat  
Good intentions gone to waste  
Stupid thought for a stupid place

I cut across the road  
Too many things are watching me now

Shortwave radio  
Cheap magazines  
I heard about you  
But now we're comin through

We just gotta find our way  
We just gotta find our way

I cut across the road  
Too many things are watching me now  
I cut across the road  
I just sit and watch and wait now

Shortwave radio  
Cheap magazines  
I heard about you  
But now we're comin through

We just gotta find our way  
We just gotta find our way

Two down and five to go

I cut across the road  
Too many things are watching me now  
I cut across the road

I just sit and watch and wait now
