HEAVEN  
IS ALL AROUND YOU NOW  
IN THE LIGHT  
OF THE NIGHT  
WE WATCH  
THE STARS WILL ALL COME OUT  
AND TAKE FLIGHT  
IT'S ALL RIGHT  
IT'S ALL FOR US  
INTO THE GREAT WIDE OPEN  
OF A UNIVERSE  
WHERE IT'S HARD TO FIND THE WORDS TO SAY  
FOR THE FIRST TIME  
WE CAN WATCH THE SUN  
SHINE INTO THE DAY  
BIG WAVE TAKE ME AWAY  
TAKE ME  
IF YOU KNOW WHERE TO START

'CAUSE I DON'T  
BUT I'LL TRY  
WE KNOW  
WE'LL ALWAYS KEEP A PART  
OF THIS NIGHT  
OF THIS LIFE  
IT'S ALL FOR US  
INTO THE DEEP BLUE OCEAN  
OF A UNIVERSE  
WHERE IT'S HARD TO FIND THE WORDS TO SAY  
FOR THE FIRST TIME  
WE CAN WATCH THE SUN  
RISE INTO THE DAY  
TAKE ME AWAY  
BIG WAVE TAKE ME AWAY
