I broke your heart and I made you blue
Instead of hurting back you said "I love you"
And every day you won my heart
And my love for you shall never part
You have such an understanding way
And I appreciate you believe what I say

'Cause a love like yours don't come knock, knock,
knock, knocking
Knock, knocking everyday - no no
'Cause a love like yours don't come knock, knock,
knock, knocking
Knock, knocking everyday - no no

It's the little things you do
That mean so much, so very much
Consideration - I never knew
That is until I met you
Believe me, baby

You made my life complete
And I know I'm gonna love you all my life
You can believe me I'm gonna hold on tight

'Cause a love like yours don't come knock, knock,
knock, knocking
Knock, knocking everyday
No, a love like yours don't come knock, knock,
knocking everyday
No darling, not everyday

I said a love like yours don't come knock, knock, knock,
knocking
Knock, knocking everyday - no no
No, a love like yours don't come knock, knock, knock,
knocking
Knock, knocking everyday
Come on darling
No, a love like yours
