He may never be a big man in this world
Just another face in society
But he'll always be in the arms this girl
Cause he's the only real thing that ever happened to
me
And I'm gonna do all I can to do right by my man
To be the kinda woman he wants me to be
I said I'm gonna do all I can to do right by my man
I'll be the kinda woman he wants me to be
He may never be a rich man lord knows it's true
He will always be a simple poor man
All the money in the world can't make me feel the way
he do
I just got to know that he's my man
I'm gonna do all I can to do right by my man
And be the kinda woman he wants me to do
Oh I'm gonna do all I can just to do right by my man
And be the kinda woman he wants me to be
He can make me be good and he can make me change
my ways
Do the things a good woman should and I'm gonna
make him happy
I'm gonna make him happy everyday
Said I'm gonna do all I can just to do right by my man
And be the kinda woman he wants me to be
Oh I'm gonna do all I can yes I am to do right by my
man
And be the kinda woman he wants me to be oh yes I am
Yeah I'm gonna do right by my man
And I'm gonna be the kinda woman he wants me to be
oh yes I am
