I got my mojo working
But it just don't seem to work on you
I said I got my mojo working
But it just don't seem to work on you
I need your loving so bad
Till I don't know what to do

'Cause I think I'm going down to Louisiana
To get me a mojo man
Think I'm gonna take me a trip down to Louisiana
Gonna try to get me a mojo hand
And when I get back here
I hope I'll have you eating out of my hand

Says 'cause I, oh I, I got my mojo working
But it just don't seem to work on you
I got it working, got my mojo working, baby
But it just don't seem to work on you
'Cause I want your loving so bad
Baby, I don't know what to do

Yes, I got me a gypsy woman
She's giving me some advice
'Cause I got me a gypsy woman
She should've given me some good advice
And I got a whole lot of tricks
I got 'em sitting here waiting to use on you
[Incomprehensible]

'Cause I got my mojo working, baby
But I tell you it just don't, oh, work on you
Got my mojo working
But I tell you, just don't work
