All the time I've lived!
I wish I had a better life!
The wishes I make
Never come true!

Chorus: Keepin' up with the time
No work to hard for me
I just get on with it
The holy god stands for me
I try to find my love
That was taken
Away from me

I love God
He is a saviour
Even though he is invisible!
Trying hard to stay alive
I'm finding times difficult
Oh yeah!

Chorus

Keepin up with time[Keepin' up}
Keepin up with the time[Keepin'up}

Chorus
