You shoulda treated me right  
You wouldn't have to cry  
If yo loved me a little  
You wouldn't have to sigh  
Cause all I wanted baby was your love sometimes  
Just to make me feel that you were mine all mine  
Before you started cheating  
You were sweet and kind  
Starting playing around  
Wouldn't pay me no mind  
But all I wanted was your love sometimes  
Just to make me feel that you were mine all mine  
Now that I've found me someone else  
You say you still want me and that you still care  
But I don't believe that you've changed  
If I tried you again it would be the same  
You shoulda treated me right  
You wouldn't have to cry  
If yo loved me a little  
You wouldn't have to sigh  
Cause all I wanted baby was your love sometimes  
Just to make me feel that you were mine all mine  
Now that I've found me someone else  
You say you still want me and that you still care  
But I don't believe that you've changed  
If I tried you again it would be the same  
You shoulda treated me right  
You wouldn't have to cry  
If yo loved me a little  
You wouldn't have to sigh  
Cause all I wanted baby was your love sometimes  
Just to make me feel that you were mine all mine  
Oh why didn't you do it  
You shoulda treated me  
Oh you shoulda treated me right  
Oh I want you to tell me baby  
I want you to tell me  
Tell me that you care  
Oh come on, come on  
Treat me right  
I want you to hold me and tease me  
Oh I want you to squeeze me

Oh come on  
Hold me baby, tell me that you love me  
Come on tell me that you love me  
I wanna hold you, I wanna squeeze you  
Come on, come on  
Hold me baby, tease me a little  
Now squeeze me  
Come on daddy make me feel wonderful
