I've got a girl and
I call her Sugar Plum
Of all the girls I know
She's the only one
That makes my heart go
Plum plumpedum
My little Sugar Plum

Right from Heaven
That's where she came from
Wonderful little Sugar Plum
Kisses are sweet
Just like chewing gum
My little Sugar Plum

When we go walking hand in hand
I'm in wonderland
When she's walking by my side
I feel so lucky to be alive

From head to toe
She's the very most
If you ever saw her
You'd know why I boast
I'm gonna take her home
To meet my Mom
My little Sugar Plum

When we go walking hand in hand
I'm in wonderland
When she's walking by my side
I feel so lucky to be alive

From head to toe
She's the very most
If you ever saw her
You'd know why I boast
I'm gonna take her home
To meet my Mom
My little Sugar Plum
