Kami wo naderu yokaze michi wo terasu seiza  
Nemuru mado ni yane ni sosogu minori no ame

The night wind brushes my hair, the stars illuminate the  
city  
The ripening rain falls down from the roof, onto the  
sleeping window

Kimi wo tsutsumu keshiki no ichibu ni naritai  
Itsudemo soba ni itai kara

I want to be a part of the scenery that surrounds you  
Because I want to be with you all the time

I WILL NEVER SAY I LOVE YOU  
Negaigoto ga hitotsu dake kanau nara  
Omoi wo kakushite mo onaji yume oikaketai  
I'm GONNA STAY BY YOUR SIDE  
Demo kizuite dare yori mo mitsumeteru  
Kirei na mama de ite mune ni saita garasu no hana

I will never say I love you  
If I can have only one wish to come true  
I want to pursue the same dreams you have, even if I  
hide my feelings of you  
I'm gonna stay by your side  
But please realise that I look up to you more than  
anyone else  
Remain just the pretty way you are, oh glass flower that  
blooms in my heart

Namidairo no INKU atena no nai tegami  
Nagai yoru mo kako mo chigiregumo no kanata

(Written with) ink of tears, a letter with no address  
The long nights, the past, all of them are over the  
distance, among the scattered clouds

Kimi to onaji jidai ni umarete yokatta  
Koushite meguriaeta kara

I'm glad we were born at the same generation

Because in this way I was able to meet you

I WILL NEVER SAY I LOVE YOU

Kono sekai ga ashita owaru to shite mo  
Kawaranai tsuyosa de kimi wo mamoreru darou ka  
I'm GONNA STAY BY YOUR SIDE  
Demo itsuka wa kanau to shinjisasete  
Eien ni karenai demo hakanai garasu no hana

I'll never say I love you  
If the world is going to end tomorrow  
Will I be able to protect you with this same strength  
I'm gonna stay by your side  
But please make me believe that it will come true  
someday  
Blooming for eternity, yet fleeting, is my glass flower

I WILL NEVER SAY I LOVE YOU

Negaigoto ga hitotsu dake kanau nara  
Omoi wo kakushite mo onaji yume oikaketai  
I'm GONNA STAY BY YOUR SIDE  
Demo kizuite dare yori mo mitsumeteru  
Kirei na mama de ite mune ni saita garasu no hana

I will never say I love you  
If I can have only one wish to come true  
I want to pursue the same dreams you have, even if I  
hide my feelings of you  
I'm gonna stay by your side  
But please realise that I look up to you more than  
anyone else  
Remain just the pretty way you are, oh glass flower that  
blooms in my heart
