Can you keep a secret?
Will you hold your hand among the flames?
Honey, youâ€™re a shipwreck
With your heart of stone

Can I get a witness?
To the bruises and the wasted tears
You could dry a river
With your heart of stone
With your heart of stone

I can breathe
I can breathe
Water
Water
I can breathe
I can breathe
Water
Water

When youâ€™re here with me,
Youâ€™re not here with me

Can I pry your fingers,
From everything I say and do?
And I just canâ€™t forget you
And your heart of stone

I can breathe
I can breathe
Water
Water
I can breathe
I can breathe
Water
Water
I can breathe
I can breathe
Water
Water
I can breathe
I can breathe

Water

When youâ€™re here with me,
Youâ€™re not here with me
