Cross my heart and hope to die in your arms
I'm not venemous I just speak logically
Oh no he's a liar

Burn her at the stake manic little witch
I'm not weak I can't speak logically
Oh no see if I care

If everyone's wasted
When you see the light
When you see the light(come on)
Inside

Cross my heart and hope to die on my own
I'm not venemous I just think logically
So what see if we care

If everyone's wasted
When you see the light

Fall down on me
Fall down on me
