Its just slipping away  
Slipping away  
Faster and faster  
Always faster

As time goes by  
I see myself falling  
Falling faster  
Always faster

As time goes by  
I see myself falling  
Falling faster  
Always faster (4)

I see myself  
Loosing control  
Loosing control  
Loosing control

I see myself  
On the edge  
On the edge  
Falling and falling

As time goes by  
I see myself falling  
Falling faster  
Always faster (4)

From: Why, A Moment In Time & The Final Experience
