Far away  
Another place  
Beyond the stars  
Beyond the sun  
In my dreams  
I have seen the colours  
In my dreams  
A forgotten world  
If you feel  
The way I do  
If you've seen  
Through my eyes  
Don't betray  
Me now  
I have come here  
Only for you  
In the distance  
A change is coming  
To look beyond  
All I have seen  
I had a vision  
Of another world  
I had a vision  
Beyond here and now  
There is a place  
For you and I  
There is a place  
Beyond grey skies  
For The Gathering
