Today I see you fading away  
Today I see my life go by  
Look into my eyes  
Look into my eyes  
Look into my eyes  
Look into my eyes

Fade away  
Fade away  
Everyday everyday(2)

Today I saw it all in you  
Today the truth became known  
It just slips away  
It just slips away  
It just slips away

It just slips away

Fade away  
Fade away  
Everyday everyday(2)

The Shadow Of The Angel, Black Radio, The Final  
Experience  
& Thankyou Very Much Goodnight
