Lost...it withers away
Nothing remains in darkness
Pain...it rises from inside
Hope will lead to insanity
Rage...it calls from deep within
The figures of saints are shattering
Sorrow...it screams and cries
No love nor mercy, only death

Vision...the fields are burning
Nothing survives in his world
Divinity...the walls are crumbling down
Depraved heaven bleeds and grieves
Betrayal...the earth drowns in blood
As angels fall from grace
Master...the time has arrived
To conquer, to subdue, to revenge

His hands created this
He was the launcher
His hate created this
He was the trigger

In the hatred he dwells
Lurking and laughing
As he sees his vision
To become a reality
The trail of destruction
He will crush the kingdoms
Of god and man
The lands of the plague

Through soil he breathes
Havoc to all mankind
Only calm and hollow breeze
Floats from above
As fire sweeps the earth
A new dawn burns the sky
All hope withers away
And nothing remains
