chorus:

can't get that reputation
how i'm making an invasion
people spread my information
i need a better explanation
cuz i'm getting expectations
on my brand new creations
how i'm staging conversations
i need to lose these situations

i know i can't be dreaming
cuz that's the way life is
it's based on taking chances
that's why that girl is his
but that just can't be fair
it's one more chance to take
but no's my reputation
i can't make that big mistake
(chorus)

we need to be way less shy
get a better life to live
make things a little more fun
stop saying i don't give
but what if it won't work
mess that up one more time
but yes is my explanation
to why that boy is mine

(chorus)
