I ask at miss
I ask never strong to fly ball
I'll never, so little fork, if
Are the love listen

Or what you need us
Or what you need us
See me late us all with me
Oh, what you need us all of the skies as you need for
life?
Oh, I feel alright
Feel me late us all

Oh, what you need us?
Save the curtain falls
Feel me late us all
Sve the curtain falls

I ask at miss
I ask never strong to fly ball
I'll never, so little fork, if
Are the love listen

Oh, what you need us?
Save the curtain falls
If the fail all the sail
Save the curtain falls
Or what you need us
Save the curtain falls
Feel me late us all
Save the curtain falls

I'm a car of the sail
As I want for all your own sky or fill
At school, at noise fail us all
If every send and or what you need us
Save the curtain falls
Feel me late us all
Save the curtain falls

I'm every fall
I fill are won't never sick at the sand

Are you listening?
Are you're wonder?
I'm at school all the past

I ask at miss
I ask never strong to fly ball
I'll never, so little fork, if
Are the love listen
