Si me ves hallarás en mis ojos el amor
eres tú la mitad que a mi vida completas
Lo que soy te daré sin miedo a algun error
creo en ti y dejaré en tus manos mi ilusión.
Quiero estar dentro de tu corazón,
Poder lograr que me ames como yo.

I only wanna be the man
to give you everything I can
every day and every night
love you for all my life.
I don't wanna change the world
as long as you're my girl
it's more than enough,
just to be the man you love.

Quiero ser el lugar donde puedas refugiar
el temor y calmar en mis brazos tu ansiedad
Desde hoy voy a ser todo para ti
Hasta ayer te soñé y ahora estás aquí

Quiero oír tus secretos, lo que sueñas descubrir,
quiero amarte así.

I only wanna be the man
to give you everything I can
every day and every night
love you for all my life.
I don't wanna change the world
as long as you're my girl
it's more than enough,
just to be the man you love.

I only wanna be the man
to give you everything I can
every day and every night
love you for all my life.
I don't wanna change the world
as long as you're my girl
it's more than enough,
just to be the man you love.

Just to be the man you love
