[Sebastien:]

A ray of hope flickers in the sky
A tiny star lights up way up high

[Urs:]

All across the land dawns a brand new morn',
This comes to pass when a child is born.

[Carlos:]

A silent wish sails the seven seas
The winds of change whisper in the trees

[David:]

And the walls of doubt crumble tossed and torn,
This comes to pass when a child is born.

It's all a dream, an illusion now.
It must come true some time soon somehow
All across the land dawns a brand new morn',
This comes to pass when a child is born.
When a child is born.
