When I am down and, oh my soul, so weary  
When troubles come and my heart burdened be  
Then I am still and wait here in the silence  
Until you come and sit awhile with me

You raise me up so I can stand on mountains  
You raise me up to walk on stormy seas  
I am strong when I am on your shoulders  
You raise me up to more than I can be

You raise me up so I can stand on mountains  
You raise me up to walk on stormy seas  
I am strong when I am on your shoulders  
You raise me up to more than I can be

You raise me up so I can stand on mountains  
You raise me up to walk on stormy seas  
I am strong when I am on your shoulders  
You raise me up to more than I can be

You raise me up so I can stand on mountains  
You raise me up to walk on stormy seas  
I am strong when I am on your shoulders  
You raise me up to more than I can be  
You raise me up to more than I can be
