You could have saved yourself  
I gave you more than one chance  
"I am murdered, I am murdered", you cried  
Well, well, you could have survived

I will rot, a broken man  
In this green and pleasant land  
Your position can't save you now  
(Your position can't save you)  
You were the finger on my trigger  
And the rope around my neck  
As you were as well

Your position can't save you now  
You could have saved yourself  
I gave you more than one chance  
"I am murdered, I am murdered" you cried  
Well, well, if the truth be told

It is I that will meet my demise  
At your hands Mr. Perceval, I am murdered  
You will hang a guilty man  
In England's green and pleasant land

Your position  
(You were the rope around my neck)  
Can't save you now  
(You were the finger on my trigger)

Your position can't save you now  
(You were the rope around my neck)  
Your position can't save you now  
As the bullet flies, you cannot hide behind

Your position  
(You were the rope around my neck)  
Can't save you now  
(You were the finger on my trigger)

Your position can't save you now  
(You were the rope around my neck)  
Your position can't save me now

(You were the finger on my trigger)  
Your position can't save me now
