I'm ill mitch
now listen me recording
when i'm on street you know i'm speed-boarding
anyone who boards shall call me board master
OH HO your board? i'll mitch board faster
wear oakley shades, yes i do
say no to rollerblades and social due
ride my board in the street
ride my board and i'm ill
ride my board so quick
ride my board down a hill
i ride in a pool, i ride a half tube
i board fast like gleam in the cube
if you got a problem with tony hawk
get off your wheels and take a phony walk
going to fast you can barely see me board
i go faster than a ranger ford
in russia call me danger lord
come take a seat on my anger sword

-chorus-

look at my helmet when i burst for speed
when i use microphone i'm the best you need
i have two sides one happy one anger
you can ask a stranger my board is fast and danger

got ill mitch style like no one has
my boards wheels spin fast like taz
no interview you bony talk-man
i only listen to my sony walkman
your mommas wack
your granny's wack
i keep a handy wipe in my fanny pack
in russia women love her ford
i save my money for a hover board
in japan you know they got those
understand i got the hot flows
when i board i never loner
on full-moon i ride with boner
looking for target its a missile crissis
wait for impact
this is priceless, boom!

dust cloud, cover ears ill mitch bust loud

Chorus
