\*scream\*

I can smell the way you taste,  
I chase every breath you take,  
and I wait - why would I deny? I don't have to lie.  
But there's something that I missed,  
Well it's not this..

All you say is that I'm playing games and if I stay,  
I just go crazy!  
Throw away, the promises that you made,  
And understand,  
I just wanna touch You, I just wanna f\*\*k you,

Can I be you? Like you want me to,  
I'll say that I'm in love with you, (X2)

You move how I want you to...  
You prove I belong to you,  
And I do..

Why would I deny?  
I don't have to lie.  
Was there something that I missed?  
Well it's not this.

All you say, is that I'm playing games and if I stay,  
I just go crazy,  
Throw away, the promises that you made,  
And understand,  
I just wanna touch you, I just wanna f\*\*k you!

Can I be you? Like you want me to  
I'll say that I'm in love with you (X2)

But this is not how I feel,  
And there is nothing for real,  
No I don't know you,  
I don't even care! (X3)  
I just wanna touch you, I just wanna f\*\*k you!

Can I be you? Like you want me too,  
I'll say that I'm in love with you..(X4)
