Prestame tu piel
Tu mundo sin vecinos
El mundo esta perdido amor
Dejame saber
La vida no explica el por que
No le importa is tan frio
Just to let you know

This is so wrong
And I can't go on
Cubre tus llamas
Ya tus rosas
De sangre hermosa
La eternidad quema

Eyes
That look away in pain
Will never see the shame
Lies
That cover up the sound
Have never screamed...so loud

Tu cuerpo es una parte
Tan sierto es tu escape
Tu mente lla no sabe a donde ir
Y por que tan obscuro que te vistes
Complejos que resisten
Just to let this go

This is so wrong
And I can't go on
Cubre tus llamas
Ya tus rosas
De sangre hermosa
La eternidad quema

Eyes
That look away in pain
Will never see the shame
Lies
That cover up the sound

Have never screamed...so loud

Don't you just pity me
Light that has given way
And I see her face
And I can't stop this rain
As everything falls on me
And will you just sit here with me?
This is the day
To pay for all her pain

Eyes
That look away in pain
Will never see the shame
Lies
That cover up the sound
Have never screamed...so loud
