Solo tu sufristes nadie mas  
sera asi? tan mal la oscuridad  
Ya que piensas, quedas tan perdido?  
This is just a part of what I've given

Paz adonde vaz  
Ya que no estas aqui  
Al lado mio  
Dejame Quisas  
You'll say it's O.K.  
It's O.K.

Here is the end  
And only your eyes  
Can make everything all right  
Here is the end  
And nothing that I can say

What I want?  
Nothing more

Than you to live again

Llegua Y no te vas  
Me gritas mas  
Por que  
Estoy perdido  
Eres lo mejor  
Y yo me voy  
Por que me quedo frio  
Lo que me duele mas  
Es que lla nunca bailas

Here is the end  
And only your eyes  
Can make everything all right  
Here is the end  
And nothing that I can say

What I want?  
Nothing more

Than you to live again
