So blinded
I try to gather all my thoughts and all my fears
Just need to lay restless
Lying broken
Then why must I turn and not listen to lies?
And confront anything that arise
But just keep pushing just to get myself further, myself
further

And I want every day (every day)
Wash away (wash away)
Oceans take the tears
Every day (every day)
Wash away the tears

We're perfect, but I have never been so blinded by
desire
It's perfect as
Selfless, lying broken
And why am I feeling so much pressure?
(Yeah)
And if I, by just pushing to get myself further
Myself further

And I want every day (every day)
Wash away (wash away)
Oceans take the tears
Every day (every day)
Wash away the tears

I put your pictures in the sand
I put them right there with my own hand
The ocean comes and takes away
All I can do, swim away

And I want every day (every day)
Wash away (wash away)
Oceans take the tears
Every day (every day)
Wash away the tears

And I want every day (every day)
Wash away (wash away)
Oceans take the tears
