Sometimes I feel like  
The world is looking over my shoulder  
I don't know why  
But I feel my patience getting shorter

I don't want to know  
I don't want to feel  
I don't want to be  
I don't want to sound crazy

I don't want to sound insane  
But I can't take the pressure  
Have you ever felt the same?  
Like you just need to run away

I don't want to sound insane  
But I can't take the pressure  
Have you ever felt the same?  
Like you just need to run away

Away, away

The tension builds  
But I feel the walls are getting thicker  
And then I still  
Make believe that I am feeling better

I don't want to know  
I don't want to feel  
I don't want to be  
I don't want to sound crazy

I don't want to sound insane  
But I can't take the pressure  
Have you ever felt the same?  
Like you just need to run away

I don't want to sound insane  
But I can't take the pressure  
Have you ever felt the same?  
Like you just need to run away

Away, away, away, away

I don't want to sound insane  
But I can't take the pressure  
Have you ever felt the same?  
Like you just need to run away

I don't want to sound insane  
But I can't take the pressure  
Have you ever felt the same?  
Like you just need to run away

I don't want to sound insane  
But I can't take the pressure  
Have you ever felt the same?  
Like you just need to run away

I don't want to sound insane  
But I can't take the pressure  
Have you ever felt the same?  
Like you just need to run away
