Untie these ropes around my neck  
Still i'm dropping to my knees  
So conscious smiling discontent  
Affecting lo que pienso de ti  
(what I think of you)  
Hasta ya

Never mind  
Who's to say?  
It's hard to rest when everybody's  
On your case  
On your own  
It's hard to sleep when everything is  
All concern  
Who is right?  
Its hard to breath when this intention  
Feels so wrong  
Feels so right  
Feels so wrong  
Never mind  
(Never mind)

Las horas pasan nunca mas  
(the hours pass no more)  
Si yo me vengo  
(if I come)  
Tu te vas  
(you leave)  
Estas conciente sin querer  
(you conscious without wanting to)

And now you hide yourself instead  
Hasta ya

Never mind  
Who's to say?  
It's hard to rest when everybody's  
On your case  
On your own  
It's hard to sleep when everything is  
All concern  
Who is right?

Its hard to breath when this intention  
Feels so wrong  
Feels so right  
Feels so wrong  
Never mind

Never mind  
Who's to say?  
It's hard to rest when everybody's  
On your case  
On your own  
It's hard to sleep when everything is  
All concern  
Who is right?  
Its hard to breath when this intention  
Feels so wrong  
Feels so right  
Feels so wrong  
Never mind
