God will you push on me to the light?
I don't want to live this life
How can I cover away your eyes?
From this sin, my life.
My death selection
My death correction
I asked you god, just save my life
My death election
Push our election
Everyday that I wake up
It's getting worse
Please don't let me die
Why can't I accept this sacrifice?
My sacrifice
I carry on to live this life
Soothe this life
I beg to see you in your light
I beg to see your life
I curse these empty fucking skies
Lie
The broken
The broken
Die
I sacrifice
Pay the price
With this knife
Bleeding
Suf-
Suf-
Suffer

I can hear you scream my name
I cut it out bleed it out
Bleeding you
Liar damned to suffer
Your infection
Can't you save my life?
I can't accept this sacrifice
I sacrifice
Why can't I learn to live this life
Screw this life

I beg to see you in your light
I beg to see you in your light
I curse these empty fucking skies
You
Everyday that I wake up it's getting worse
Pass around the time
Father please let me in
Please let me in your light
Please bring me in
Please bring me end
Please bring me you
I can't accept this sacrifice
My sacrifice
I carry on to live this life
Soothe this life
I beg to see you in your light
I beg to see you move
I curse these empty fucking skies
