I will feel so blessed
This kid of mine
(Mine)
Even was this water
Has turned to wine
(Wine)
I will feel the
Pleasure, my wounds are sick
(Sick)
So confused
I'm rest less consumed within
(Within)

In this sad less maze
I suffocate
When everyone around me
Drives me to end
To she'd my face
And change my ways
When everyone around me
Drives me to the end of silence

Tell me what's the
Motive behind this scene
(Scene)
Suffering
Now captain refuse to leave
(Leave)
Know that I surrender
There's no more threat
(Threat)
Living this injustice
Without regret
(Regret)

In this sad less maze
I suffocate
When everyone around me
Drives me to end
To she'd my face
And change my ways
When everyone around me

Drives me to the end of silence

I'll wait for the rain

I'll wait for the rain

I will suffo...

In this sad less maze

I'll suffocate

When everyone around me

Drives me to end

To she'd my face

And change my ways

When everyone around me

Drives me to the end of silence

I'll wait for the rain

I'll wait...
