Every thing's fine
I'm not gonna lie
Though you try to fight against me
I'm bored and I'm high
With porcelain eyes
You can make me feel so weak
And what is the cost
Me amas no mas
Siempre todos tan concientes
I'm down for the ride
I'm bleeding inside
How you remove me
When you remove me

Always fuck me when I'm stuck here
And I'm still believing
Always love when I'm stuck here
Cause I still believe in you

I could have lied
Just wanted to die
You abuse the life within me
Still proving that I
Can never decide
While you spit me out again

Ya cuando te vas
Mi vida es la paz
Ya que cuentas tantos cuentos
It's clear in your eyes
That nothing is fine
How you seduce me
When you seduce me

Always fuck me when I'm stuck here
And I'm still believing
Always love when I'm stuck here
Cause I still believe in you

Quemaras
Dejaras
Vez las llamas

Nuestras almas
Burn within
Proving that I have failed you again

Always fuck me when I'm stuck here
And I'm still believing
Always love when I'm stuck here
Cause I still believe in you
