[Pre-Chorus:]

Come surrender, I'll forgive you [3X]

Welcome, vicious, taking victims now
Inside them, inside them, just throw your life away
Gross infliction, taking needles now
Stand by them, stand by them, stand by them, for the
wars

[Pre-Chorus]

[Chorus:]

You'll save me, you'll hate me
I don't want to be the so called liar
You loved me, when I believed you
(Believed in you)
You'll save me, you'll hate me
I don't want to be the so called liar
You loved me, when I believed you
(Believed in you)

I believed in you [3X]

Multi-faction right before you now
Strip me down, strip me down
Until you have nothing left
No me vero tu apprece now
Callete, callete, no quero tuevas

[Chorus]

[Pre-Chorus 2X]

You hate [8X]

[Chorus]

I believed in you [4X]
